<b>REQUIREMENTS SUMMARY</b>														
<b><u>OVERVIEW</u></b>														
<p>The U.S. Pavilion is looking to partner with companies interested in supporting the Pavilion through the provision of tea and chai for the commercial (public) food and beverage outlets and corporate / VIP entertaining as part of the Pavilion’s official Business Program. Ideally the supplier will be U.S. based and / or have a strong affinity to American tea culture and heritage.</p>														
<b><u>SPECIFIC REQUIREMENTS</u></b>														
<p>Below we have outlined our forecast total volumes of tea consumption across both public and VIP functions. We would envisage that the tea range would feature a variety of tea styles / flavors including a decaffeinated option.</p> <p>Finally, depending on the commercial agreement, there is the opportunity for tea to feature on the Pavilion’s VIP dining menu, for example a signature tea infused dessert.</p>
