

FOOD & BEVERAGE OPERATOR

U.S. PAVILION AT EXPO 2020 DUBAI

Introduction

The U.S. Pavilion is seeking an appropriately qualified F&B Operator(s) for the Pavilion throughout the Expo. The Pavilion is wishing to provide a high-quality food offering throughout the venue which includes public quick service options and catering to VIPs.

We are looking for an integrated solution(s) that will provide modern and contemporary American themed catering to the anticipated five million public visitors and 20,000 VIP guests.

TVG, the operators of the Pavilion, will accept proposals in relation to the public F&B area or the VIP catering solution, or one provider servicing both requirements.

Public F&B

This is an opportunity to provide a quick service restaurant to the five million visitors to the Pavilion, plus casual passerby foot traffic.

Located on the first floor adjacent to the Pavilion's Rocket Garden, the F&B counter features four point of sale (POS) machines.

VIP Catering

The VIP catering will service the main Function Center, VIP Bar and Majlis located on the second floor of the Pavilion.

These facilities will host an estimated 20,000 VIPs across 150 events during the six months at Expo. These invited guests will be supplemented by impromptu VIP visits.

Kitchens

The two F&B offerings will be serviced by a kitchen on the first floor of the Pavilion. This facility will be complemented by a finishing kitchen on the second floor adjacent to the Function Center.

Key Dates

Potential respondents should take note of the following EOI timeframe:

- November 12, 2020 - EOI released
- November 30, 2020 - EOI closes
- December 21, 2020 - Target date for appointment of provider(s)
