

Pavilion Director

Kevin Solon

Kevin is a highly credentialed international events expert with experience in World Expo, Olympic Games, Major League Baseball (MLB) and National Football League (NFL) environments.

As Pavilion Director, Kevin oversees the development and implementation of all operational aspects of the USA Pavilion at Expo 2020 Dubai.

He leads the USA Pavilion operations team across all areas including commercial and partnerships, visitor and exhibition experience, cultural program, logistics and retail. He oversees all Pavilion activations and special events, including media relations and protocol.

A native of San Francisco, Kevin has extensive event management experience with a history of working on high-profile international events, including the 2008 Olympic Games and, 2010 World Expo, both held in China, and Super Bowl 50, held in Santa Clara, California.

Prior to joining the USA Pavilion, Kevin oversaw the International Events Program for Major League Baseball, including all operational and business components for events spanning Latin America, Asia and Europe.
